Endorsement of UFSA Resolutions

Passed October 19, 2001

Faculty Input in Presidential Evaluations

Be it resolved that the University Faculty Senates Association petition the IHL Board of Trustees to work directly with UFSA and each of its member Faculty Senates in the development of an orderly, rational, regular and systematic process for providing faculty input into the IHL process of evaluating the performance of college and university presidents.

Annual Faculty Pay Increases

Be it resolved that the University Faculty Senates Association call upon Gov. Ronnie Musgrove, Lt. Gov. Amy Tuck and the Legislature to provide political leadership: [1] to avert the immediate and long-term financial crisis confronting Mississippi higher education and its faculty and staff, [2] to assure consistent, equitable and fair *annual* salary increases, [3] to make the same commitment to college and university faculty and staff that was made to public school teachers to raise their salaries to the regional average, beginning with a 4% salary increase for the 2002-2003 academic year.

IHL Appointments

Be it resolved that the University Faculty Senates Association requests that the Legislature revise the process of appointment of members to the IHL to accurately and fairly represent the populations of the State of Mississippi.
